I found it easy to use my avatar in the virtual world discussions.					
I was not hesitant to speak up in the virtual world discussions.					
I felt uncomfortable in the virtual world discussions.					
The virtual world discussions were enjoyable.					
The microphone was easy to use in virtual world discussions.					
The virtual world discussions helped me understand the background to specific music styles.					
I think the virtual world discussions were a worthwhile activity in the course.					
I would recommend to a friend that he/she complete the virtual world discussions activity.					
I would engage in more of the virtual discussion activities if they had been available in the course.
